## Productivity: Editors and Viewers Page of Sonoff Consulting Services, Inc.'s Productivity and Knowledge Transfer Web Site

---

Provided here are some hyperlinks to this category of productivity tools, methods, and techniques which are regularly made use of by Scsi.

- [Arachnophilia](#)
- [Crimson Editor](#)
- [EditPlus](#)
- [NoteTab Pro](#)
- [Notepad++](#)
- [WnBrowse](#)

NOTE: Relevant hyperlinks are included within the associated paragraphs to make your browsing session productive and all the more enjoyable.

---

### Arachnophilia

Arachnophilia is a "careware" program from [Paul Lutus](#) who states, "Arachnophilia is an advanced Web site development environment, as well as a general programming tool."

---

### Crimson Editor

According to [Ingyu Kang](#), who created this freeware programmer's editor, "Crimson Editor is a professional source editor for Windows. This program is not only fast in loading time, but also small in size (so small that it can be copied in one floppy disk). While it can serve as a good replacement for Notepad, it also offers many powerful features for programming languages such as HTML, C/C++, Perl and Java."

---

### EditPlus

EditPlus is an award-winning shareware editor written by [Sangil Kim](#) who states on his Web site's Home page, "EditPlus is an Internet-ready 32-bit text editor, HTML editor and programmer's editor for Windows. While it can serve as a good replacement for Notepad, it also offers many powerful features for Web page authors and programmers."

---

### NoteTab Pro

NoteTab Pro -- an award-winning shareware editor created by [Eric G.V. Fookes](#) -- is replete with what seems to be an unlimited number of features and capabilities. If you are looking for an all-in-one editor package at a reasonable price, along with free upgrades, Scsi recommends that you give NoteTab Pro serious consideration.

---

## Notepad++

Notepad++ is a freeware editor created by Don Ho who states on the [Notepad++ Web site](#), "Notepad++ is a free source code editor which supports several programming languages running under the MS Windows environment."

However, that statement doesn't tell you how good it really is -- given that it incorporates numerous features, including the following:

- Syntax Highlighting and Syntax Folding
- What You See Is What You Get (WYSIWYG) [for color printouts]
- User-defined Syntax Highlighting
- Auto-completion
- Multi-Document
- Multi-View
- Regular Expression Search/Replace supported
- Full Drag 'N' Drop supported
- Dynamic position of Views
- File Status Auto-detection
- Zoom in and zoom out
- Multi-Language environment supported
- Bookmark
- Brace and Indent guideline Highlighting
- Macro recording and playback

Whether you are a programmer or an average user who wants to have greater control, increased flexibility and productivity (e.g., Notepad++ remembers the opened files in the last session and can open them at the launch time. How about that?), and may also want the option to use plugins to extend Notepad++'s basic capabilities even further, Scsi recommends that you seriously consider downloading and trying out Notepad++ for yourself. Hopefully, you will be pleasantly surprised.

---

## WnBrowse

WnBrowse is a free file viewer from [Nigel G. Thomas](#).

Because it is so good at what it claims to be, namely a file viewer, Scsi often makes use of WnBrowse as a default "non-editor" for file viewing any desired file using either text or hexadecimal modes. Additionally, you can launch your pre-assigned editor program from within WnBrowse should actually editing of a displayed file ever be required.

---

## Web Page Validation and Contact Information

This Productivity: Editors and Viewers Page of Sonoff Consulting Services, Inc.'s Productivity and Knowledge Transfer Web Site was last updated, validated -- to assure full conformance to W3C's [XHTML 1.0 Strict](#), [CSS](#), and [WCAG Accessibility](#) (Priorities 1, 2, and 3, inclusive) recommendations -- and uploaded on Monday, June 23, 2008 at 9:00 p.m. EDT by [Raymond Sonoff](#), President of Sonoff Consulting Services, Inc., 271 Saxony Drive, Crestview Hills, KY 41017 USA: Telephone: (859) 261-5908.

Remember: If you have some questions to ask, wish to request additional information about specific topics, or want to send a request for

proposal, Scsi will always welcome your inquiries and respond promptly -- often the very same day -- to your [e-mail](#) communications. --
