About Sonoff Consulting Services, Inc.

Additional Information

Keep-It-Simple-Sonoff ("KISS") Point #5:

This policy is and remains valid for the foreseeable future.

Data Collection

Platform for Privacy Preferences (P3P) policies declare the data they collect in groups (also referred to as "statements").

Keep-It-Simple-Sonoff ("KISS") Point #6:

Because this policy contains no data groups, there are no data practices that exist or that need to be explained.

Use of Cookies

Cookies are a technology which can be used to provide you with tailored information from a Web site. A cookie is an element of data that a Web site can send to your browser using HyperText Transfer Protocol (HTTP), and which may then store this HTTP Cookie on your system. You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether to accept it.

Keep-It-Simple-Sonoff ("KISS") Point #7:

NOTE: We do not make use of HyperText Transfer Protocol (HTTP) Cookies.

Compact Policy Summary

P3P compact policies are a form of a P3P policy which summarizes what the policy says about cookies.

A policy mentions use of cookies if the data element "HTTP Cookies" is in any group in the policy. This data element is found under "Dynamic data".

Keep-It-Simple-Sonoff ("KISS") Point #8:

Because this policy does not mention any use of cookies, there is no compact policy form of this policy. As a consequence, compact policy evaluation need never be of concern for this very reason.

Compact Policy Evaluation

Microsoft Internet Explorer (MSIE) will evaluate this policy's compact policy whenever it is used with a cookie. The actions MSIE will take depend on what privacy level the user has selected in their browser (Low, Medium, Medium High, or High); the default is Medium.

In addition, MSIE will examine whether the cookie's policy is considered satisfactory or unsatisfactory, whether the cookie is a session cookie or a persistent cookie, and whether the cookie is used in a first-party or third-party context.

Microsoft Internet Explorer will accept cookies accompanied by this policy under the High, Medium High, Medium, Low, and Accept All Cookies settings.

Keep-It-Simple-Sonoff ("KISS") Point #9:

NOTE: Because (as stated already above) HTTP cookies are never used anywhere within the Scsi P&KT Web site's pages, the compact policy evaluation is never applicable. As a consequence, this compact policy should be considered *satisfactory* according to the rules defined by Microsoft Internet Explorer.
