Dispute Resolution and Privacy Seals

Keep-It-Simple-Sonoff Point #4:

Because they are not applicable (read: neither used nor needed), we have no privacy seals or other assurance mechanisms.

Additional Information

Keep-It-Simple-Sonoff Point #5:

This policy is valid until at least 6 May, 2009 at 12:00:00 Eastern Time -- and for the foreseeable future beyond that date.

Data Collection

Platform for Privacy Preferences (P3P) policies declare the data they collect in groups (also referred to as "statements").

Keep-It-Simple-Sonoff Point #6:

Because this policy contains no data groups, there are no data practices that exist or that need to be explained.

Use of Cookies

Cookies are a technology which can be used to provide you with tailored information from a Web site. A cookie is an element of data that a Web site can send to your browser, which may then store it on your system. You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether to accept it.

Keep-It-Simple-Sonoff Point #7:

NOTE: We do not make use of HTTP cookies.

Compact Policy Summary

P3P compact policies are a form of a P3P policy which summarizes what the policy says about cookies.

A policy mentions use of cookies if the data element "HTTP Cookies" is in any group in the policy. This data element is found under "Dynamic data".

Keep-It-Simple-Sonoff Point #8:

Because this policy does not mention any use of cookies, there is no compact policy form of this policy. As a consequence, compact policy evaluation need never be of concern for this very reason.

Compact Policy Evaluation

Microsoft Internet Explorer 6 will evaluate this policy's compact policy whenever it is used with a cookie. The actions IE will take depend on what privacy level the user has selected in their browser (Low, Medium, Medium High, or High; the default is Medium).

In addition, IE will examine whether the cookie's policy is considered satisfactory or unsatisfactory, whether the cookie is a session cookie or a persistent cookie, and whether the cookie is used in a first-party or third-party context.

IE6 will accept cookies accompanied by this policy under the High, Medium High, Medium, Low, and Accept All Cookies settings.

Keep-It-Simple-Sonoff Point #9:

NOTE: Because (as stated already above) HTTP cookies are never used, the compact policy evaluation is never applicable. As a consequence, this compact policy should be considered *satisfactory* according to the rules defined by Internet Explorer 6.
